STATEMENT OF THE SUBSTANCE OF INTERVIEW

Sir:

A telephone interview with Examiners Fernandes and Lee took place on April 25, 2005 for the above-referenced matter. Amendments to the claims were discussed and agreed upon during that interview. The following is the substance of that interview.

"Claims 1 and 2 were discussed in light of the prior art rejections. Claim 1 will be amended to further define the data dictionary as meta data describing a database and will add a limitation that states that the number of nodes is equal to the number of terms in the data dictionary. Claim 2 will be amended by cancelling the term "valid", and replacing it with "non-caution, non-cyclical", so as to overcome the 35 USC 112 1st paragraph rejection."

Applicant respectfully requests that the substance of the interview of April 25, 2005 be made of record for the above-referenced matter.

Respectfully submitted,
